1”	F IP100	815700932

O-Ring in NBR
BackUp in Teflon®

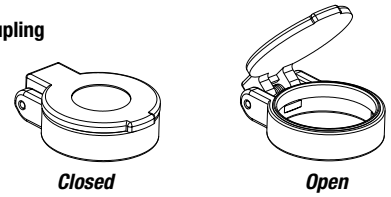

PROTECTIVE CAPS FOR I-IP SERIES

Protective caps are always recommended to protect the couplings from damage, dirt inclusion, and will increase the product life. This is particularly important in agriculture applications where exposure to weather and aggregate materials are common.
The protective caps for I-IP series are manufactured in plastic with connection lanyard (standard color red, other colors available upon request). A flip cap version is also available for the size ½”.

Protective Cap				
Body Size/Description		Part Number		Material/Color
		Plug for Female	Cap for Male
