STF **STH** **STM**

Suction Filter

Spigot	**Nylon – Aluminum**
End Cap	**Nylon – Steel**
Core	**Steel**
Filter media	**Wire Mesh**
Filtration	**60 – 90 – 250 micron**

Special design for the mobile industry

Suction strainer assembly on the bottom of the tank

Benefits -
Pump protection
Elimination of the vortices of oil during flow changes
Reduction of air in the hydraulic system

Custom manufacturing
